2022 QUARTER 1

Ghana Ministry Report

Pastor Donyo has been meeting with the saints and raising up leaders (see pic below). They hold worship services in Hohoe under a bamboo structure and meet evenings mid-week outdoors where the Lord is healing and casting out devils. Several have been baptized with the Holy Spirit.

*Give thanks to the LORD, for He
is good. For His mercy is
everlasting.*

Psalm 107:1

Love one another...

There is one Church and we thank God for the saints in Kingdom Prayer Ministry Ghana. God willing, we will be hosting Pastor Donyo in Bakersfield this summer. Please pray for his Visa appointment and that God will open doors and give him favor. Pray for his wife and two children and the pastors under his leadership.

Pray for financial provision, traveling mercies, no delays in his travel. While he is here, pray for the family of God in Kern County to welcome him with open arms. Pray that his time here will coincide with a revival worship concert in Delano.

And He gave some *as* apostles, some *as* prophets, some *as* evangelists, some *as* pastors and teachers, for the equipping of the saints for the work of service, to the building up of the body of Christ...Ephesians 4:11-12

God is building up the Body of Christ to a mature stature. We had our annual prayer retreat and we received God's vision for youth and more prayer ministers. Four additional saints have been set apart for the work of the ministry as evangelists. Manuel and I laid hands on them to commission them for service and we agreed with God about His anointing in their lives to preach the gospel. One of the married couples, Ministers Mike and Rose came to the ministry during from an outreach we did at Mount Vernon Elementary School two years ago. Rose testified that she went to the outreach for the children's clothing give away, but deep down she was filled with anxiety over her troubled marriage at the time. She had been crying out to God for help and searching for him, even through various religions and could not find Him, she said. At the outreach, KPM prayer ministers offered prayer and were leading people to Christ. She received prayer and reported that she instantly felt the peace of God come upon her as the Holy Spirit ministered to her. She invited a prayer team to their home, where her children received prayer ministry and confessed Jesus as Lord. She noticed a small difference in her children but did not pursue getting plugged in to church. The pandemic hit and her family, like so many other families began being isolated. They

began to suffer the effects from the fear and isolation that attacked many people during the pandemic. Then suddenly, their youngest child began inquiring about water baptism and asking to be baptized. He insisted on getting baptized for two months, until one day Mike asked his wife to find out about going to a church service. On July 4, 2021 Rose reached out to Pastor Rosi asking about church service that morning. Her entire family showed up for church and unbeknownst to them, it was a baptism service and upon hearing that people would be baptized that Sunday, her youngest son became elated and insisted on being baptized that day, with his clothes and all. His brother also became excited so they were both baptized and the entire family began attending Sunday services.

Soon, the couple received healing and deliverance prayer, and they were baptized in the Holy Spirit with the evidence of speaking in tongues. Mike cleaned out his home, throwing out old music and cut ties to his former life, throwing anything away that glorified the devil. Rose forgave people she needed to forgive and they began to share the love of Christ with others. Soon, this couple began serving together, praying for people in the streets, and eventually bringing others to Christ and even helped baptize someone they brought to the Lord.

On April 9th, 2022, KPM was having an outreach again at Mount Vernon School. This time, God sent Rose to the event as a minister of the gospel and God used her to share her testimony with a room full of parents and children who listened attentively. She and her husband allowed God to use them at the outreach to pray and minister to the families who needed to know the love of Jesus and pray for those in need. Each time Minister Mike lays hands and prays for people, he reports being filled with compassion. The Spirit's fruit of love is evident in him as he begins to weep and minister to people. He reports feeling like he might float away as the Holy Spirit fills Him with love and he receives words of knowledge, discerning of spirits, and various spiritual gifts to minister to others. Their two teen boys were baptized in water in March 2022 and have also made the choice to follow Jesus.

Mike and Rose had received Christ for the first time over a decade ago, but they had become content, and described living a lukewarm life for Jesus. They were in need of the Holy Spirit baptism of fire. This couple is now on fire for Jesus, experiencing a revival. They love to tell everyone at work or at family gatherings about the love of Jesus and His power to heal and cast out evil spirits. They attended the prayer retreat in the Spring 2022 and the body of Christ rejoices as these essential members of the body take their place in the Body to give and to receive as Christ supplies. We give glory to God for answering our prayers to raise up laborers for the harvest.

Pray against a spirit of compromise and against pride.

MINISTRY HIGHLIGHTS

Need hope? A KPM team ministered to parents and children at an event at Mt. Vernon Elementary school on April 9, 2022. The team touched on the topics of depression, suicide, and anxiety and offered prayer support and scheduled home visits. Two people shared testimonies of deliverance from suicide, fear, and anxiety.

Teviston/Earlimart: A team went up north to follow up on praying for this underserved community. Two children prayed to receive Christ and three children currently in foster care & two formerly in foster care received prayer. Pray for this community.

Water baptisms: Backyard pool and spa baptisms have continued through the Winter and Spring. Six adults, young adults, and teens have been baptized, all for the first time. Baptisms at the CAPK Center slowed down through the winter months.

SERVE

Freely you received, freely give...

One of the main assignments the Lord has us focused on in this season is to take the message of the kingdom to the streets. We continue to minister by offering breakfast burritos and sharing the gospel in various locations around Bakersfield. The ministry invested in a grill that is easy to haul with the intention of doing pop up outreaches at parks throughout the city through the summer. Although the soil is rocky in North Kern, we continue to persevere in taking the word of God to Teviston and a small team gathered there in March 2022. The Lord set a divine appointment through the event to connect the ministry with a pastor who needs prayer support. Furthermore, two children accepted Christ and the team prayed over five children who had been in foster care or were currently in foster care. Also in March, the prayer team was invited to a Filipino church to lay hands on people needing healing prayer. A group of saints gathered and several people received instant miraculous healing and deliverance from various ailments, including joint pain, arthritis, and GERD. The team was able to pray over the pastor at that church who had some urgent prayer needs and the Holy Spirit ministered to him. The prayer team is busier than ever with many people in need of deliverance prayer. The Lord continues to demonstrate His love and power through these prayer sessions. We are praying that every person who professes Christ is baptized with the Holy Spirit immediately.
